INTRODUCING THE MAY FAIR THEATRE AND CRYSTAL ROOM

The perfect combination for presentations or screenings followed by drinks and private dining in a beautiful ballroom setting.

One of the unique features of our event spaces is our beautiful theatre. Audiences of up to 201 guests sit in supreme comfort on Italian-leather trimmed seats complete with armrests and fold out tables, with ample leg room to stretch out. In front of the 8m screen a stage, available with optional speaker's podium, the May Fair theatre provides an energising and inspiring platform for multimedia presentations and filming location in London.

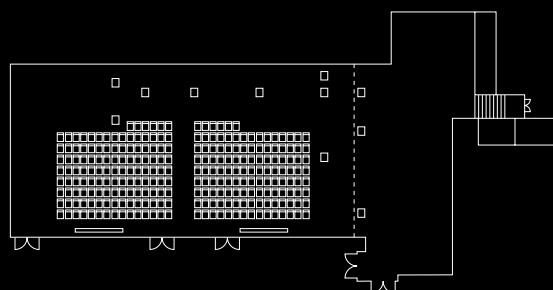

The Theatre works very well in combination with our Crystal Room, where guests can be entertained pre and post-presentation. A number of meeting rooms and suites as well as the May Fair Theatre's own Green Room can also be used as preparation spaces where speakers can follow events from the auditorium via live video and audio feeds.

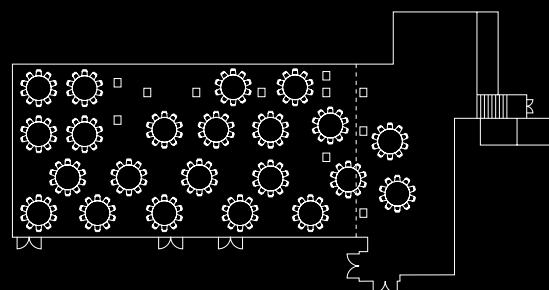

THE CRYSTAL ROOM

- Up to 300 theatre style or 220 for dinner
- Design features include bronze and lacquered walls and a baccarat chandelier
- Private entrance on Berkeley Street or via main lobby private bar
- Private access to May Fair Bar
- Private cloakroom
- Fully integrated av and lighting system

INTRODUCING THE MAY FAIR'S DANZIGER SUITE AND ATRIUM

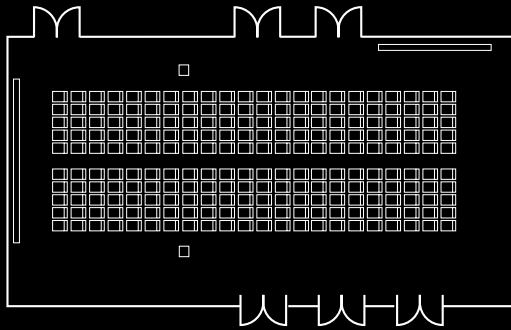

The perfect combination for guests looking for and exclusive areas for and event and breakout or pre function space.

Seating 170 for dinner, with the flexibility to be divided into two rooms for conferences, events, smaller meetings and lunches, the Danziger mixes decadent Art Deco style with the latest LCD projection units to deliver a superbly flexible space. This is a space grounded in its practical use, with easily installed flexible stage for speaker events, conferences or concert performances.

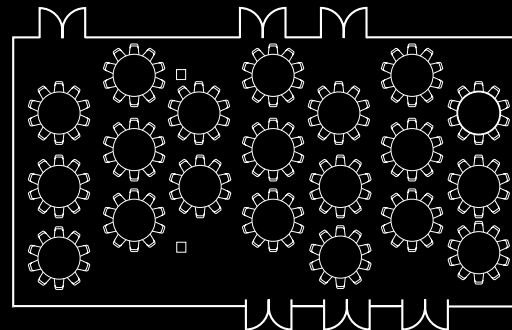

Adjacent to The Atrium and in close proximity to private suites 1 to 11, planners can use the Mezzanine level as a truly flexible and contained event space, the atrium and the private rooms all offering beautiful spaces bathed in natural daylight.
