Dressed up or down, with impeccable service, exquisite food and a licence to perform ceremonies, it's a flawless setting for the most important day of your life, whether you're entertaining on a grand scale or seeking an intimate location.

## ATTENTIVE TO YOUR EVERY NEED

We wholeheartedly welcome everyone wishing to celebrate and make a commitment to their loved one. The May Fair Hotel is a much-adored choice for civil ceremonies, civil partnerships and blessings - religious and non-religious.

Your dedicated wedding planner will be on hand throughout the planning stages of your wedding, as well as on the day itself. Our culture of calm, discreet advice and service ensures a luxurious wedding on your big day.

## REFINED ELEGANCE IN THE CAPITAL

A wedding in London's Mayfair is the perfect alternative to a country wedding. In a hotel that's steeped in history in Westminster's magnificent borough, the luxury May Fair sits in close proximity to the Royal Green Park, Buckingham Palace, Piccadilly Circus and Bond Street.

Beyond the boundaries of the hotel, you and your beloved are surrounded by lush open spaces and majestic architecture offering stunning photo opportunities.

For religious or civil ceremonies away from the hotel, Mayfair is spoilt for choice with a selection of beautiful churches and registry offices. With surroundings such as these, you'll forget that you're in the centre of the world's most-loved capital city.

## A GLAMOROUS HERITAGE

In 1927, King George V and Queen Mary gave their seal of approval to The May Fair Hotel and the grand doors swung open. A place for high society to meet, the hotel has borne witness to some of the world's most famous - and infamous - royals, nobility and celebrities, for almost a century.

Often dubbed 'Hollywood on Thames', Mayfair continues to be one of London's most exclusive and desirable areas. Throughout the 1950s and 1960s, Hollywood impresarios, the Danziger brothers, bought the hotel, turning it into a magnet for the rich and famous. The stunning Crystal Room was once home to the Beachcomber bar, complete with a pool, waterfalls and real Caiman crocodiles.

Since the early 2000s, a new era began and the hotel was once again transformed, with new wings and floors, a modern effusion of glass, leather, marble and gold leaf.

With 5-star amenities, including a Mediterranean-inspired restaurant, chic bar, blissful spa, outdoor terrace and private screening room, it's easy to fall in love with the charm and allure of The May Fair Hotel.

## UTTERLY UNIQUE

The May Fair's alluring history is captured in some exceptional spaces and is the natural choice for weddings. From the dazzling beauty of the Crystal Room to the unabashed opulence of the Danziger Suite, flexible spaces, seamless service and culinary originality offer almost endless possibilities.

Start the proceedings in the Atrium which, flooded with natural light, provides a stunning welcome for your guests. The May Fair can function either as a reception space or a self-contained, exclusive wedding venue.

## CRYSTAL ROOM

A Baccarat chandelier lends instant spectacle to this sought-after space; and a bronze lacquered feature wall studded with delicate leaves provides the perfect stylistic complement making this an inspiring space for a wedding. Exclusivity is enhanced by a private entrance off Berkeley Street.

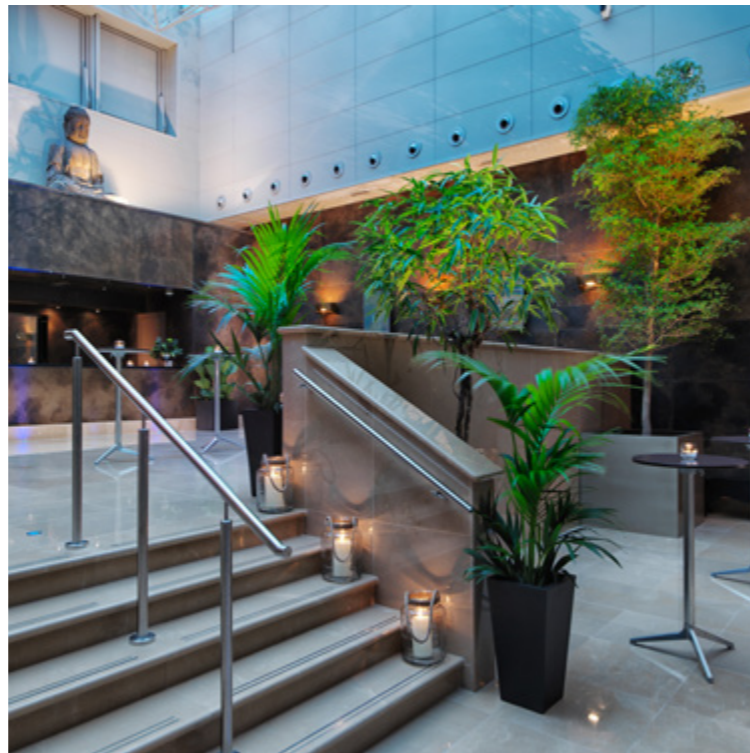

- Capacity: Up to 220

## DANZIGER SUITE

The decadent, Art Deco style of the Danziger Suite makes this a superbly flexible space. This suite takes guests back to an era of elegant, imaginative style, with the adjacent Atrium ideal for drinks and canapés beforehand.

- Capacity: Up to 160

## PRIVATE DINING ROOM

Tucked away in a discreet area of the hotel, the Private Dining Room is a striking yet intimate space for smaller groups.

With a Mediterranean-inspired menu from May Fair Kitchen, the dramatic yet comfortably luxurious space features antique walnut parquet flooring, dark wooden panelling and an opulent green marble fireplace.

- Capacity: Up to 60

## THE PERFECT SUITE

Rich and seductive, playful or luxurious, our coveted suites are gloriously suited for your wedding night. With attractive terraces, freestanding baths, separate lounge and dining areas, every inch of our suites conveys sophistication and style.

Our signature pink Schiaparelli Suite pays homage to the loving couple. It's a loving tribute to retro glamour, romance and the ultimate in luxury.

Carry on the celebrations with your guests the following day by reserving a selection of our comfortable bedrooms at a special rate, with interconnecting bedrooms available for families, and enjoy a delicious breakfast together the next morning.

## MAY FAIR KITCHEN

When there's nothing left to plan, settle those pre-wedding nerves with a nightcap, in one of our exclusive booths.
