A UNIQUE HERITAGE

ONCE UPON A TIME IN MAYFAIR...

Following the hotel's inauguration in 1927 by King George V and Queen Mary, The May Fair became London society's playground.

The young and affluent whirled around the ballroom alongside royalty. When the war came, the hotel continued to be an oasis of enjoyment where guests could forget the outside world.

During the fifties and sixties, few places were more swinging than The May Fair Hotel. Then owned by Hollywood's Danziger brothers, the hotel became a theatrical showpiece in itself. A private cinema and theatre were built alongside a pool bar housing real caiman crocodiles.

Today, essences of its intriguing past still remain – reimagined with the elegance of a five-star hotel.

Inspired by the informal izakaya eateries of Japan, May Fair Kitchen's Japanese menu subtly elevates and modernises traditional moriawase, omakase, sashimi, tempura and robata dishes.

From Puglia to Parma, the Italian menu takes you on a journey through regional Italy. Fresh pasta, stone-baked pizza and grilled specialities are prepared with simplicity and precision, considering each ingredient to bring out the best of their flavours.
