

BY DAY

THE MAY FAIR
BAR

editions note.

ONE OF THE GREATEST POWERS OF TASTE IS ITS ABILITY TO TRANSPORT US.

To take us places we've dreamt of visiting or remember with fondness, to the salty air of the Mediterranean, the warm scent from a Parisian bakery or the shaded palm groves of Goa. May Fair Bar by day is your passport to the uncharted places on your wish list, and those familiar favourites you just keep going back to. Whether you are stopping by for breakfast, a leisurely lunch or staying to see May Fair Bar by night, we look forward to bringing the world to your table.

Catalopia

FROM SUN-DRENCHED BEACHES
TO THE UNDULATING PEAKS OF
THE PYRENEES, CATALONIA IS
TOO BEAUTIFUL TO REPLICATE
- BUT A JOY TO INTERPRET.
Inspired by Antoni Gaudi's whimsical
and modern imaginations of the
landscape, this creation carefully
blends the past and the present to
create a sophisticated and refreshing
cocktail with a nostalgic nod
to classic Catalonia.

Son Doong Cave

IN 1990, A LOCAL RESIDENT INADVERTENTLY DISCOVERED THE WORLD'S LARGEST CAVE.

An otherworldly landscape with underground rivers, microclimates and ecosystems that have existed beneath us for 3 million years. Addressing the interplay of old and new, we've put our own spin on Vietnamese egg coffee by incorporating traditional ingredients and taking visual cues and grassy notes from the cave's moss-capped rock formations.
