Everleaf® 

NON-ALCOHOLIC APERITIFS

CHINA

The Harbin Ice Festival

HELD ANNUALLY FROM JANUARY TO FEBRUARY, THE HARBIN ICE FESTIVAL IS ONE OF THE WORLD'S LARGEST AND MOST SPECTACULAR ICE AND SNOW FESTIVALS.

A true winter wonderland, Harbin transforms into a fairytale city where pearlescent glass and ice create a spectacular interplay of reflections and illuminations, which serves as the inspiration behind our non-alcoholic, bubble tea concoction.

IRIDESCENCE

BRAZIL

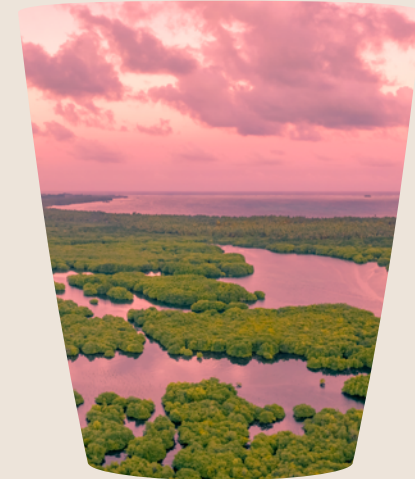

Amazon

PULSING WITH LIFE, THE LARGEST RAINFOREST ON EARTH.

From the meandering rivers to the rich diversity beneath the Amazon's green canopies, this cocktail embodies the vibrancy of the rainforest. A twist on the iconic Brazilian caipirinha, it combines subtle creaminess with berries for a bold, tropical refreshment.

BATIDA
