

THE MAY FAIR BAR

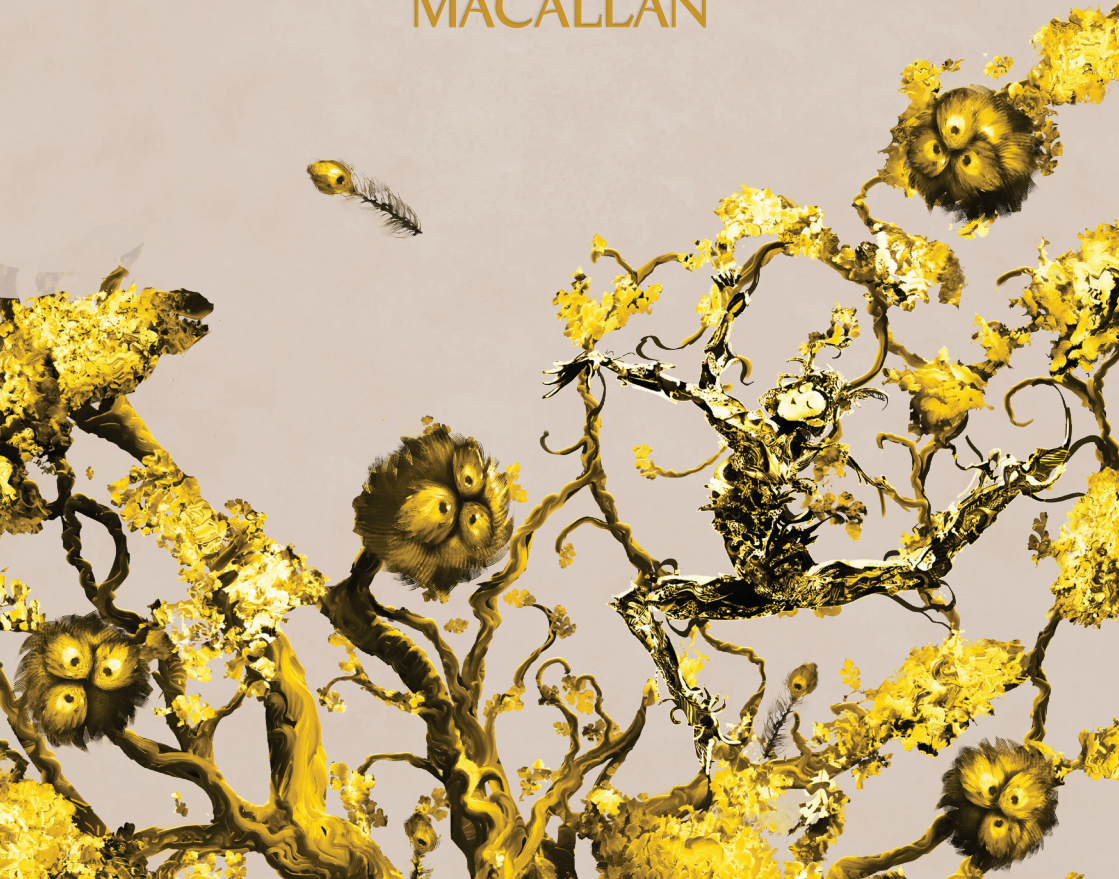

AN ODE TO THE SCOTTISH HIGHLANDS.

Inspired by the latest Harmony Collection, from The Macallan, created in a unique collaboration with Cirque du Soleil – we present Reverence.

The Macallan Harmony Collection Vibrant Oak anchors the cocktail with bold depth, while red cocoa butter and cherry-vanilla vermouth create a smooth harmony. A touch of Scottish smoked sea salt and oak solution adds a playful twist, capturing the adventurous spirit of the Scottish Highlands, The Macallan's Speyside home.
