SUMMER, IN HIGH SPIRITS

UNITED STATES

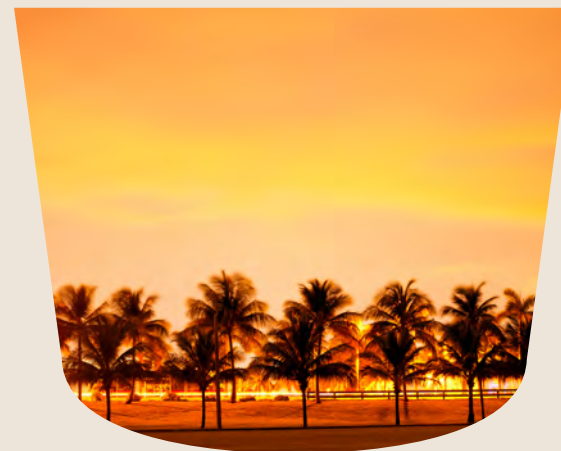

Miami Beach

SWAYING PALM TREES,
SUGAR-WHITE SAND, LATIN
RHYTHMS PULSING FROM
BEACHSIDE CAFÉS...

Miami Beach moves to its own
rhythm: sun, heat, and bold Latin
energy. Sunset Sabor channels that
spirit with smoky mezcal and tequila,
bright lime, and a jalapeño kick,
balanced by creamy avocado and
sweet agave. Fiery and fresh: it's
Miami in a glass.

JAMAICA

Kingston

A GROOVE THROUGH THE
STREETS OF KINGSTON, JAMAICA'S
GOLDEN CAPITAL.

Golden Island captures Kingston's
vibrant contrasts: sweet, spicy, smooth,
and smoky. Caramelised plantain and
warm spices mingle with crisp white
rum, roasted cocoa, rich coffee, and
the aromatic sweetness of tonka.

Cornwall

COLOURFUL BEACH HUTS
BENEATH RUGGED CLIFFS,
SURFERS CATCHING
THE MORNING SWELL,
SEAGULLS CALLING...

An ode to the seaside and that classic Cornish charm, this nostalgic blend of Britain's best-loved flavours brings Pimm's and Bombay Sapphire together with fresh strawberries, clotted cream, Champagne, and frothy lemonade foam. Bright, refreshing, unmistakably British.
